## Mission Partners

Camper Sponsorship Program

## Our Mission.....

Wedderburn Christian Campsite is committed to providing camps for young Australian's who are 'at risk' in life, and also 'at risk' of not hearing the message of salvation.

There are many agencies, departments and programs working with youth who are 'at risk' of failing to thrive in our society. We however are also concerned about the eternal risk of not being introduced to the God who loves them.

For many years our campsite has been running this ministry to children which has been made possible through God's generous provision of volunteers and generous donations. Will you help us continue and grow and run this ministry.

## Our Vision.....

Our vision is to grow the number of Mission Camps per year and also the number of campers. We currently run 4 camps per year for disadvantaged children in school years 4 – 6 and 1 for highschoolers.

We have the opportunity to multiply the number of kids attending our holiday camps and to open up new camps to other age groups and at various times during the year but need more support.

## Will you help us?.....

We currently have some funding, but the more we have, the more we can pass on. To grow these camps and to keep our focus on the disadvantaged children of the local area we will need your support through prayer or volunteering or financial contribution....

## Become our partner.....

You can be our partner in this ministry in many ways

- A prayer partner – pray regularly for our staff & volunteers. Pray for the children who need to attend. We will give you the first name and age of a child also who has attended a camp and you can continue to pray for them.

- A volunteer camp leader – our disadvantaged kids need a high leader/child ratio to ensure a great camp is enjoyed by all. We need people who love Jesus and wish to speak of his love and salvation to these kids!

- Will you Sponsor a child to attend a camp? You can fully or partly pay for a child to attend camp. This is a wonderful opportunity to be directly involved and to reach into the community. Your provision of camp fees will ensure another young person will experience Christian love and a message of eternal hope! We will provide you with a full camp report sharing how God was working through the camp.
