

# ACTIVITIES

## ARCHERY

Our archery setup includes modern bows, quality arrows and large targets. Our instructors will promote a safe environment and many turns to ensure that each campers attempt at aiming will be a real hit.

## BMX RIDING

Campers will take turns riding our bikes on a course setup by us on the schools oval or appropriate area. Our team will organise time trials and activities to suit the age and agility of campers

## ULTIMATE SKIRMISH

Using our skirmish equipment, campers partake in fun games like capture the flag, last man standing and save the maiden.

## INITIATIVE GAMES

Fun yet challenging scenarios where campers learn teamwork, problem solving, communication and leadership. After each game our insightful staff will analyse their performance and debrief each activity.

## BUSH CREATIONS

Using general craft and natural bush materials such as nuts, leaves and pine cones- let the camper's imagination run wild! From nature collages to name plaques and beading to bush wind chimes, the possibilities are endless.

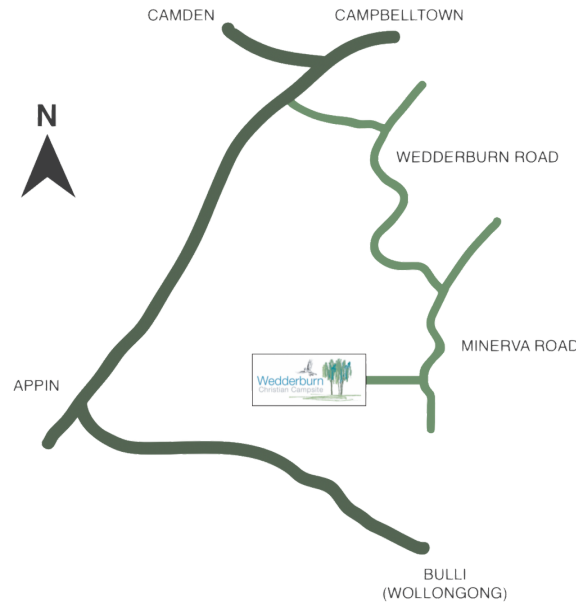

## ECO ADVENTURE

Our Eco Adventure takes students through the weird and wonderful world of bugs and insects. Students will be fascinated by the myriad of bugs and insects we will bring to you!

## BUSH SURVIVOR

Campers work in teams to accomplish a fun, camp-themed survival challenge. Using equipment such as tents, harnesses, helmets, carabiners, ropes and more, campers carry out exciting challenges, becoming the ultimate bush survivors.
