

WEDDERBURN CHRISTIAN CAMPSITE

Schools Information Pack

Each year, Wedderburn Christian Campsite has over (insert)campers stay at our property. Our campsite hosts a diverse array of groups with a vast range of programs.

The majority of our School Camps booked are via 'word of mouth' and 'repeat-bookings'. This, in itself, is testimony to our professional and flexible approach to camps.

Flexible Programming

Here at Wedderburn Christian Campsite, we build your program to specifically cater to the desired outcomes you have for your camp experience. We successfully run a large number of programs each year catering to all sorts of school groups varied in size and purpose.

Within this Info Pack, we'll overview some of our most popular programs for your reference. You'll also find information on our rates, quotes, facilities, activities, and a sample program.

Our beautiful bush property!

Our 136 acre property boasts of dense Australian bushland, thriving wildlife, peaceful views, and awe-inspiring bushwalking tracks winding throughout - we've even got some pet emus! Nestled within this landscape, you'll find all our main accommodation (including our much loved, heritage listed 'Homestead'), our main Recreation/Dining Hall, our Multi- Purpose Grey Gum Centre, our Outback Shed, Bush Chapel, and Outdoor Stage.

Not to be forgotten - our fun, thrill-seeking activities are also speckled throughout our wonderful property! Zip down our flying-fox, fire arrows at our large archery targets, scale up our vertical challenge, or fly out over a cliff on our giant swing. The sky is the limit!

OUTDOOR EDUCATION, CHALLENGE & PERSONAL DEVELOPMENT

These camps are designed to be packed with fun activities and opportunities to learn new skills. Young people will be challenged to step out of their comfort zones and learn important skills such as problem solving, teamwork and resilience. With many activities on offer, we can tailor a program to suit your needs.

LEADERSHIP CAMP

Camps like these are designed to enhance teamwork, promote unity, encourage self-worth, and inspire analytical thinking. Based on activities that require students to work together, this is a camp that will grow your SRC or Peer support program.

CREATIVE ARTS CAMP

Whether painting, film, photography, drama, sculpture, or any other art form, we have a tranquil facility to let the inner artist emerge. A program tailored to your specific needs can be put together. This program could have a 'showcase' on one night where you could invite parents/staff to view their art projects set up in our 'studio room'.

STUDY CAMP

Our quiet environment and peaceful bush land provide a great setting to forget the hustle and bustle of the city; leaving TV, internet, and other distractions behind. It gives an opportunity to spend time studying and access help instantly. This program is run in conjunction with the school's teachers.

Do you have desired outcomes for your school camp experience?

"The staff and program at Wedderburn Christian Campsite catered for absolutely all of our needs. An experience the kids will never forget!"

continued...

Glider Possum (T) - With a rope attached to your back and in a full-body harness, you are hauled up into the air by your friends, giving you a great flying sensation with nothing to hang on to! (*can't be run in the same session as leap of faith or crate climb).

H2O Skirmish (S&E) - If getting a little wet and dirty is your idea of fun, H2O Skirmish is for you! Crate Climb (E&T) - Put your balance, agility, and coordination to the test by building a tower of crates, climbing them as you build, as high as you dare.

Eco Adventure (S&E) - Based on the school syllabus, our Eco Adventure is a guided bushwalk investigating water catchment, native flora, habitats, survival awareness, invertebrates, and pollution, giving you a real taste of our natural bush land. *WCC also offers a more in-depth ecological activity for those looking to do a deep dive alongside the curriculum.
