MISSION PARTNERS

If you would like to have a personal and confidential discussion about supporting the ministry of WCC through your Will, please call the office on 4634 1265 to arrange a confidential appointment with a director.

Suggested wording for a Will:

I bequeath (amount of property) of my whole estate to Pro Campo Ltd (ABN 55 030 630 783) situated at and known as Wedderburn Christian Campsite, 208 Minerva Road, Wedderburn NSW 2560 for (it's general purposes) OR (a specific purpose to be stated) and I DECLARE that the receipt of an authorised officer, secretary or treasurer of Pro Campo Ltd is an absolute discharge to my executors.

OUR MISSION

At Wedderburn Christian Campsite, we intentionally deliver a simple and powerful Gospel message consisting of 'who are we?' 'who is Jesus?' and 'what has Jesus done for us?' This message of sin and forgiveness is very well received by children who often come from difficult home and life situations. We aim to provide a safe and nurturing environment, leading children to feel comfortable and therefore more willing to receive the Gospel message.

There are many agencies, government departments and community programs working with youth who are 'at risk' of failing to thrive in society. Our concern is for these same young people, however, we are more concerned about the eternal risk of not being introduced to the God who loves them.

We believe that no child should miss out on the life-changing experience of a camp because of financial barriers. This commitment to campers is made possible through the generosity of donors who believe the same.

OUR VISION

Throughout each year, we run 9 camps specifically for disadvantaged children. 5 of those camps are for children in school years 3-6, 3 camps are for high school years 7-12, and 1 camp for 18-25yr olds.

Over 200 children attend our programs and hear about Jesus each year, but there are many more kids in our community yet to receive this life-changing message. We have a vision to run outreach programs outside our current scope and we have the expertise and desire to make it happen, but a deficiency in the funds.

With funds, there is an opportunity to grow the number of camps along with the number of children attending each program. Opportunities exist in our community with younger children, families, those with a disability and other marginalised groups.

Our vision is to introduce THREE new camps over the next few years and grow numbers to over 300... Will you help us?

To be able to fulfil this vision, we need more funding and more volunteers. We currently have a small amount of funding, but require much more to fulfil this vision. To grow our outreach camps and to keep our focus on the disadvantaged children in the local area, we need your support.
